

Help your child join their Google Classroom on a mobile device

Manage Classroom on the go with the mobile app

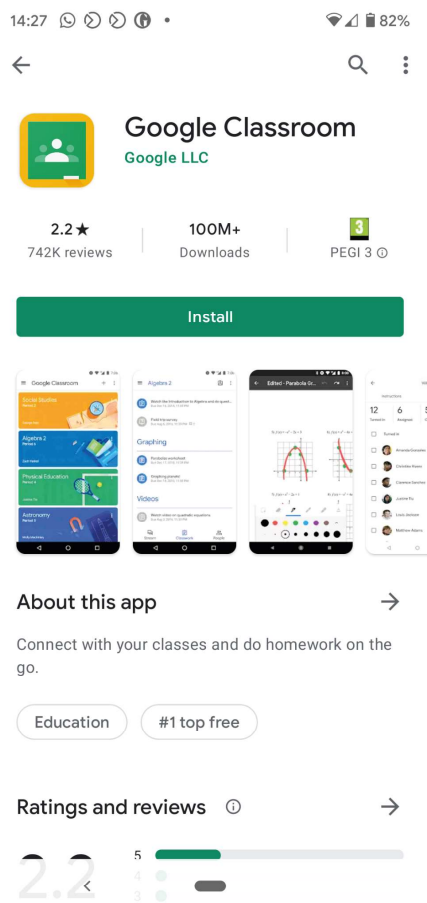

You can use google classrooms through your tablet or mobile app.

https://play.google.com/store/apps/details?id=com.google.android.apps.classroom&hl=en_US

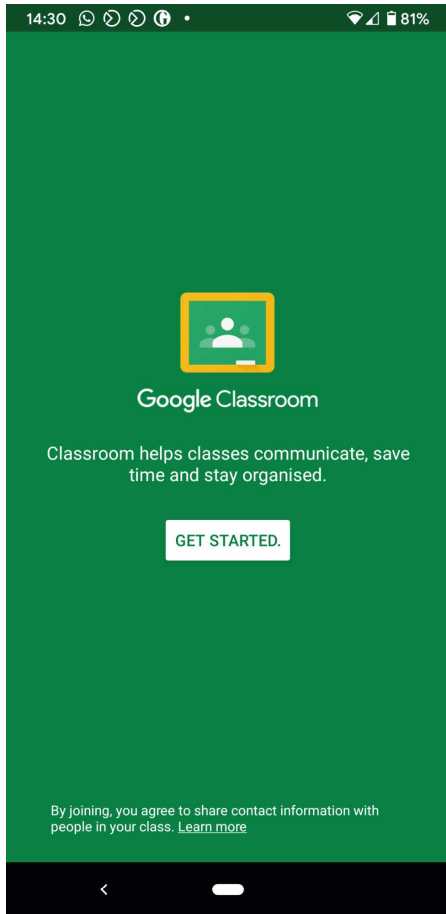

<https://apps.apple.com/co/app/google-classroom/id924620788?l=en>

The app icon looks like the green square above.

We hope to add more instructions shortly.

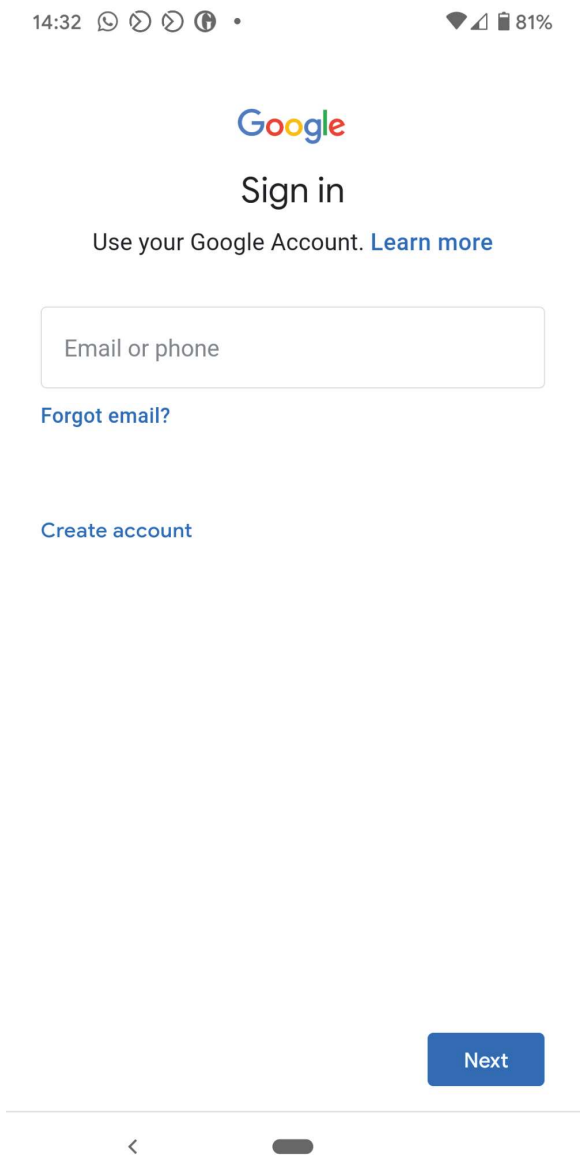

Download the free app and then click Open

Click on the green Get started Screen

Click Add Account - you may need to verify yourself at this point

You are looking at a google Sign In account page. It is important you follow the following instructions

All the children's accounts have the same format.

EMAIL: firstname of your child first initial of surname @penningtonjunior.co.uk

for example Charlie Smith would be

charlies@penningtonjunior.co.uk

On the next screen you need your child's password;

Password: first name followed by date of Birth as 6 digits

For example Charlie birthday is on the 2nd May and he was born in 2012

charlie020512

Please do not change these details as we need access in school too!

I agree

Authorise the account and click that you agree to google terms....

then wait a bit

You may need to relog into the app

You then should be able to see inside your child's classroom, mke sure you select the student option!

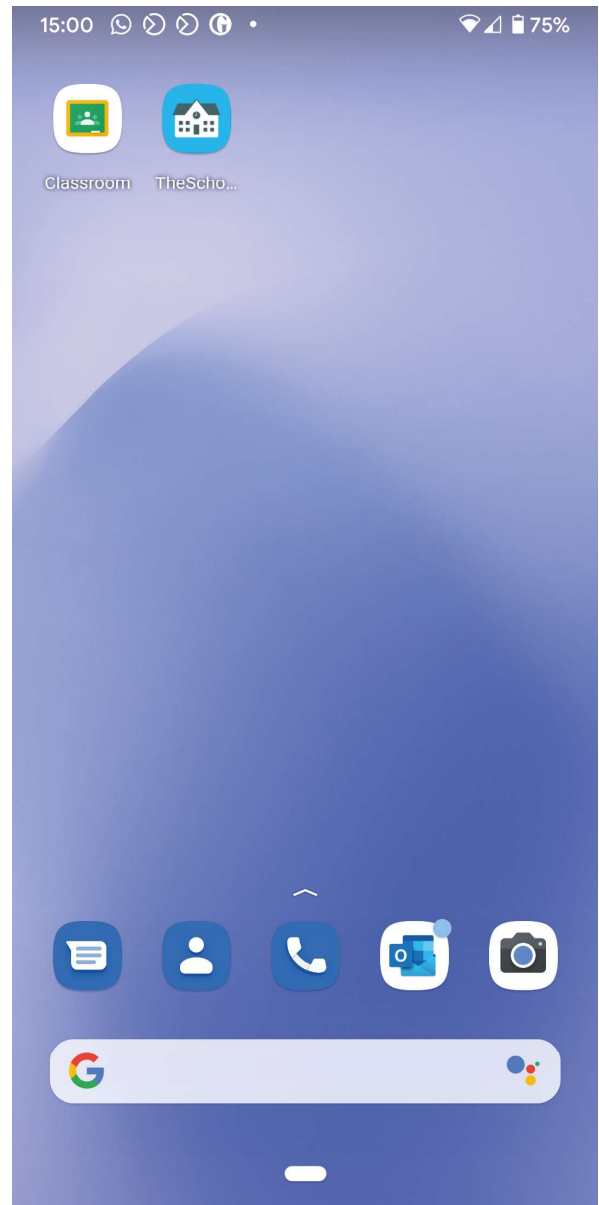

You did it!

Now it is really helpful to create a short cut fo the google classroom alongside the school app so you can keep in touch daily.

You can also click on your child's google account and switch to a different account if you have more than one child in school sharing the device!

Be The Best You Can Be!

Thank you for Being the Best Parent you can be and helping your child get online to the Google Classroom at home!
